PROFILE

I am a BCA graduate with an additional background in Islamic Studies(Wafy), combining technical skills with a strong ethical foundation. I have a good understanding of web development and a passion for building user-friendly websites. I am now looking for opportunities to start my career as a web developer and grow in a dynamic tech environment.

PROJECTS

Majlis Educational Complex website
Freelance web developer | December 2024 - February 2025

- Developed a website for Majlis Educational Complex to enhance their online presence and communication.
- Ensured brand consistency across the website's design, content, and functionality.
- Integrated contact forms and informational sections to support communication and inquiries.

Portfolio Website
Freelance web developer | June 2024 - August 2024

- Designed and developed a personal portfolio website using HTML, CSS, and JavaScript.
- Showcased projects, skills, and contact information with a clean and responsive layout.
- Optimized for mobile and desktop devices to ensure consistent performance across platforms.
